SAFETY TIP

All employees are required to conduct their duties safely with a focus on preventing injury to any member of the public, passengers, or another employee, damage to equipment or property, or degradation of any system safety device. Employees in doubt or uncertain in any situation must take the safest course of action and contact the designated authority. The safety of our passengers, employees and the public is the responsibility of all of us.

NEWS

Rail Section Website Update – The Rail Section has a website, originally designed for Rail Operations, which has been updated to include Seattle Streetcar. You can find information about streetcar on the Seattle Streetcar and Employee Recognition pages. Please visit the site at: kcmetrorailoperations.com and enter the password: link2news. If there is other content you would like to see included, please drop your suggestions in the employee suggestion boxes used earlier to get your feedback for milestones.

Don't let the flu bug you! Onsite flu shots available NEXT WEEK – Flu Shots will be available to King County employees at the Rail OMF next Wednesday, October 3rd from Noon-2:30pm in room 306. Quadrivalent flu shots are available on a first come, first served basis. FluAd vaccines are available and recommended for individuals, age 65+. Quantities are limited. If you would like to reserve a dose, contact Balanced You. This year the CDC's Advisory Committee on Immunization Practices has recommended against the FluMist.
